Beginning Wednesday, March 18, Telfair County School Nutrition will offer breakfast and lunch to their students during the school closure at no charge. Information about meals are as follows:

Telfair County School buses will follow their original routes each day to provide breakfast and lunch to students. Buses will begin delivering meals to students from 10:30-12:30 each day. Each child will be provided a lunch for that day and breakfast for the following morning. Children do not have to live in the home or be regular bus riders to participate. Students will need to meet the bus at his/her bus stop.

Breakfast and Lunch will also be provided through a curbside delivery method (drive thru) at each school from 11:30-12:30.

Telfair Pre-K drive thru will be at the end of the bus ramp on 9th Avenue.

Telfair Elementary will be at the first entrance of the car rider line.

Telfair Middle/High drive thru will be in the rear of the school near the lunchroom.

Per state and federal guidance, there will be no congregate feeding sites. No one will need to exit their vehicle. Please stay in your car during this time.

Please continue to check back for updates and guidance.
